You (1) my hand, you showed me how
You promised me you'd be around
That's right
I took your words and I believed
In everything you said to me
That's right
If (2) said three (3) from now
You'd be long gone
I'd (4) up and (5) them out
'cause they're all wrong
I know better
'Cause you said forever
And ever
Who knew
Remember when we were (6) fools
And so convinced and just too cool
Oh no, no no
I (7) I could (8) you again
I wish I could (9) call you friend
I'd give anything
When someone said count your blessings now
For they're long gone
I guess I (10) didn't know how
I was all wrong
They knew better
Still you (11) forever

Who knew I'll keep you (12) in my head Until we (13) again Until we, (14) we meet again And I won't (15) you my friend What happened If someone (16) three years (17) now You'd be long gone I'd stand up and (18) them out 'Cause they're all wrong and That (19) kiss I'll cherish Until we meet again And (20) (21) it harder I (22) I (23) remember But I (24) your memory You visit me in my sleep My darling, who knew My darling, in (25) you, my darling Who knew Who knew Who knew	And ever
