I Know You Care by Ellie Goulding

Clinging to me
Like a last breath you would breathe
You were like home to me
I don't recognize this street
Please don't (1)_____ your eyes
Don't know where to look without them
Outside the (2)_____ speed by
I've never (3)_____ (4)_____ until now
I know you care
I know it is always been there
But (5)_____ is trouble ahead I can feel it
You were just saving yourself when you hide it
Yeah, I know you care
I see it in the way you stare
As if there was (6)_____ ahead and you knew it
I'll be saving myself from the ruin
And I know you care
I used to run down the stairs
To the door and I thought you were there
To shape to the comfort of us
Two lovers locked out of love
But I know you care

I know it is (7)_____ been there
But there is trouble ahead I can feel it
You were just saving yourself when you hide it
Yeah, I know you care
I see it in the way that you stare
As if there was trouble ahead and you knew it
I'll be saving myself from the ruin
I know it wasn't always wrong
But I've never known a Winter so cold
No, I don't warm my hands in your coat
But I (8)_____ hope
'Cause (9)_____ is how things ought to have been
And I know the words are there
Wasn't all that it seemed, why can't I dream
Why can't I dream
'Cause I know you care
And I know you care
I know you care
I know you care
I know it's always been there
