

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to (1)_____ stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand light years travel
Let my sense of time unravel
Trapped feelings are (2)_____ ending
Send (3)_____ weaknesses descending
Towards the earth's red centre
Let the (4)_____ rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A (5)_____ place
A happy place
A happy...
Find a star, send down a beam to where you are
An (6)_____ of (7)_____ taking you
somewhere
Where (8)_____ (9)_____ be loved
I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be (10)_____ faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. every
2. never
3. those
4. fire
5. happy
6. elevator
7. light
8. you'll
9. always
