

Fill in the gaps

A Happy Place by Katie Melua

I'm (1)_____ to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck (2)_____ it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm (3)_____ to (4)_____ a happy place
Seven (5)_____ light years travel
Let my sense of (6)_____ unravel
Trapped feelings are never ending
Send those weaknesses descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a (7)_____ tower
The energy receiving

Cut a (8)_____ right through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A happy place
A happy place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where (9)_____ always be loved
I have found that stress and nonsense
Puts me in zone of avoidance
Could my mind be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. going
2. here
3. going
4. find
5. thousand
6. time
7. giant
8. hole
9. you'll
