

Fill in the gaps

A Happy Place by Katie Melua

I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a London station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to (1)_____ stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm (2)_____ to find a happy
I'm going to find a happy place
Seven thousand light years travel
Let my sense of time unravel
Trapped (3)_____ are never ending
Send those (4)_____ descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a (5)_____ tower
The energy receiving

Cut a hole right through the ceiling
People getting smaller as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A happy place
A happy place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found (6)_____ stress and nonsense
Puts me in zone of avoidance
Could my (7)_____ be moving faster
Pulling like a super cluster
Can be (8)_____ to (9)_____ a feeling
But believing (10)_____ in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. every
2. going
3. feelings
4. weaknesses
5. giant
6. that
7. mind
8. hard
9. trust
10. ends
