Want U Back by Cher Lloyd

Fill in the gaps

Hey, boy you never had much game	I want you back
So I needed to upgrade	I want you back
So I went and walked away way way	Wa-want you, want you back
Now, I see you've been hanging out	I broke it off thinking you'd be cryin'
With that other girl in town	Now I feel like shh looking at you flyin'
Looking like a pair of clowns clowns clowns	I want you back
Remember all the (1) that you and I did first?	I want you back
And now you're doing them (2) her	Wa-want you, want you back
Remember all the things that you and I did first?	(Ohhh) I thought you'd still be mine
You got me, got me like this	When I (6) you (7) (uh oh
And now you're (3) her to every restaurant	uh oh)
And everywhere we went, come on!	(Ohhh) and you might be with her
And now you're taking her to every restaurant	But I still had you first (uh oh uh oh)
You got me, got me like this	Remember all the things that you and I did first?
Boy you can say anything you want	And now you're doing them with her
I don't give a shh, no one else can have ya	Remember all the things that you and I did first?
I want you back	Remember all the things that you and I did first?
I want you back	And now you're doing them with her
Wa-want you, want you back	Remember all the things that you and I did first?
I broke it off thinking you'd be cryin'	You got me, got me like this
Now I feel like shh looking at you flyin'	Boy you can say (8) you want
