Listen

I kind of noticed, from one night

From the club, your front face

It's kind of weird to me

Since you're so fine

If it's up to me your face will change

If you smiling, that should set the tone

Just be limber

And if you let go

The music should groove your bones

Just remember

Sing this song with me

You're a (4)_____ girl and that's what makes me trust ya
