

Love Like Winter by AFI

Warn you (1)_____ to turn away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love like winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and (2)_____ my warmth
From years before
From years before
She attails the mirror lace
I (3)_____ (4)_____ her, yesterday
(yesterday...)
With the lines in the mirror
Through the (5)_____ trace...
She said "It seems you're somewhere, far away..."

Fill in the gaps
