

Love Like Winter by AFI

Warn you once to turn away
Here it's December, everyday
Press your lips to the sculptures
And surely you'll stay (love (1)_____ winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He (2)_____ love, I taste the blood
He bit my lip, and drank my warmth
From (3)_____ before
From (4)_____ before
She attails the mirror lace
I (5)_____ dreamt her, yesterday (yesterday...)
With the lines in the mirror
Through the lipstick trace...
She said "It (6)_____ you're somewhere, far away..."
