Spectrum (Say My Name) by Florence + The Machine

When we first came here
We were cold and we were clear
With no (1)_____ on our skin
We were light and paper thin
And when we first came here
We were (2)_____ and we (3)_____ clear
With no colours on our skin
Till we let the spectrum in
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
And (4)_____ we (5)_____ for you
We'll be dressed up all in blue
With the ocean in our arms
Kiss your eyes and kiss your palms
And (6)_____ it's time to pray
We'll be (7)_____ up all in grey
With metal on our (8)_____ and silver in our
lungs
Say my name

And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
And we are shining
And we will never be afraid again
Say my name
As every color illuminates
Say my name
As every color illuminates
We are shining
And we (9)_____ never be (10)_____ again

As every color illuminates
We are shining
And we will never be afraid again
