Spectrum (Say My Name) by Florence + The Machine

When we first came here

We were cold and we were clear

With no colours on our skin

We were light and paper thin

And when we first came here

We were cold and we were clear

With no colours on our skin

Till we let the spectrum in

Say my name

And (1)_____ color illuminates

We are shining

And we will (2)_____ be (3)_____ again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be (4)_____ again

And when we come for you

We'll be dressed up all in blue

With the ocean in our arms

Kiss your eyes and kiss your palms

And when it's (5)_____ to pray

We'll be dressed up all in grey

With metal on our tongues and silver in our lungs

Say my name

And every (6)_____ illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

We are shining

And we will never be (7)_____ again

Say my name

And every color illuminates

We are shining

And we will never be afraid again

Say my name

And every color illuminates

And we are shining

And we will never be afraid again

Say my name

As (8)_____ color illuminates

Say my name
