## Fill in the gaps

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll ever be
And I don't want to go home right now
And all I can taste is this moment
And all I can breathe is your life
And sooner or (1) it's over
I just don't wanna to miss you tonight
And I don't want the world to see me
'Cause I don't think (2) they'd understand
When everything's made to be broken
I (3) you to know who I am
And you can't fight the tears that ain't coming
