

It kills me not to know this

But I've all but just forgotten
What the color of her eyes were
And her scars or how she got them
As the telling signs of age rain down
A single tear is dropping
Through the valleys of an aging face
That this world has forgotten
There is no reconciliation
That will put me in my place
And there is no time like the present
To drink these draining seconds
But seldom do these words ring true
When I'm constantly failing you
Like walls (1) we just can't break through
Until we disappear
So tell me now
If this ain't love then how do we get out?
Because I don't know
That's when she said I don't hate you boy
I (2) to save you
While there's still something left to save
While there's still something left to save That's when I told her I love you girl
