

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little (1)_____ of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain (2)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light (3)_____ my brain
What do I say to her?
Why do I say it to her?
What does she (4)_____ of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If (5)_____ I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (6)_____ bust open
The rib is the shell and (7)_____ is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I just want to feel everything
I just want to (8)_____ everything
I just want to (9)_____ everything
So I'm (10)_____ try to be still now
Gonna (11)_____ the mill a
(12)_____ while and
If we had a double king size bed
We could move in it and I'd (13)_____ forget
If what I am is what I am, 'cause I (14)_____
(15)_____ I does
And maybe I'd relax, let my breast just bust open
My heart's (16)_____ of parts of all that's
(17)_____ me
And that's why the devil (18)_____ can't get around me
Every single night's alright
Every (19)_____ night's a fight
And (20)_____ (21)_____ fight's alright with
my brain
I just (22)_____ to feel everything
I just (23)_____ to feel everything
I just want to feel everything
I just want to feel everything
