Every Single Night by Fiona Apple

Every (1)_____ night, I (2)_____ the flight
Of little (3)_____ of white-flamed butterflies in my brain
These (4)_____ of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain (5)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every (6)_____ night's a light (7)_____ my
brain
What do I say to her?
Why do I say it to her?
What does she (8)_____ of me?
That I'm not what I (9)_____ to be
That I'm (10)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just (11)_____ a (12)_____ for us
(13)_____ to choke on

Every single night's a fight with my brain
I just want to (14)_____ everything
I just (15)_____ to feel everything
I (16)_____ want to (17)_____ everything
So I'm (18)_____ try to be still now
Gonna renounce the (19)_____ a little while and
If we had a (20)_____ king (21)_____ bed
We could move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (22)_____ bust open
My heart's made of (23)_____ of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every (24)_____ fight's alright (25)_____
my brain
I just (26)_____ to (27)_____ everything
I (28)_____ want to (29)_____ everything
I just want to feel everything
I just want to feel everything
