

Crush by Jennifer Paige

Fill in the gaps

(Ah, crush, ah...)
See you blowin' me a kiss
It doesn't take a scientist
To understand what's goin' on baby
If you see somethin' in my eye
Let's not over analyze
Don't go too deep with it baby (baby)
So let it be, what it'll be
Don't make a fuss and go crazy over you and me
Here's what I'll do, I'll be loose
Not (1)_____ we have a (2)_____ with destiny
It's just, a little crush (crush)
Not like I faint, every (3)_____ we touch
It's just, some little (4)_____ (crush)
Not like every thing I do
Depends on you
(Sha la la la)
(Sha la la la)
It's raisin' my adrenalin'
You're bangin' on a heart of tin
Please don't make too much of it, baby (baby)
Say the word "forever" more
That's not what I'm lookin' for
All I can commit to is maybe (maybe)
So let it be
What it'll be
Don't make a fuss and go crazy over you and me...
Here's what I'll do, I'll be loose

Not like we have a date with (5)_____ (oh, oh...)
It's just, a (6)_____ crush (crush)
Not like I faint, every time we touch
It's just, some little (7)_____ (crush)
Not like every thing I do
Depends on you
(Sha la la la)
(Sha la la la)
Vanilla (8)_____ (vanilla skies)
White picket fences in your eyes
A vision of you and me (and me...)
It's just, a little crush (crush)
Not like I faint, every time we touch
It's just, some little thing (crush)
Not like every (9)_____ I do
Depends on you
(Sha la la la)
Not like I faint, every time we touch
It's just, some (10)_____ thing
Not like every thing I do
Depends on you
(Sha la la la)
Not like I faint, every time we touch
(It's just, some little thing)
...

Answer

1. like
2. date
3. time
4. thing
5. destiny
