Fill in the gaps

...
Everybody's got their problems
Everybody says the same things to you
It's just a matter how you solve them
And knowing how to change the things
You've been through
I (1)_____ I've come to realize
How fast life can be compromised
Step back to see what's going on
I can't believe this happened to you
This happened to you
It's just a problem (2)_____ I'm (3)_____ with am
I
Not the only one who hates to stand by
Complications that are first in this line
With all (4)_____ pictures running through my mind
Knowing endless consequences
I feel so useless in this
Get back, (5)_____ back, and as for me
I can't believe
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't (6)_____ if it's for sure
Suddenly, suddenly

I don't feel so insecure
Anymore
Everybody's got their problems
Everybody says the same things to you
It's just a matter how you solve them
But what else are we supposed to do
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't (7)_____ if it's for sure
Suddenly, suddenly
I don't feel so insecure
Anymore
Why do things (8)_____ (9)_____ the most
Never end up being (10)_____ we chose
Now that I find no way so bad
I don't think I knew what I had
