Fine by Whitney Houston

Fine, fine, fine, fine, fine

Should have (2)_____ it all along

All those sweet (sweet), sweet kisses (yeah)

I made you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't (3)_____ it too

If you'd told me from the (4)_____ that you're playing

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start that you're playing

Around it would have been fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it
