

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a dream last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And (1)_____ sweet (sweet) red roses (yeah)

They convinced me that it was you

I (2)_____ you (you) exclusive (yeah)

Now it's so (now it's conclusive that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the (3)_____ (4)_____ you're playing

Around it would have (5)_____ fine...

Then I would have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so (6)_____ pain

I would stil love for you, 'cause I did adore you

While my dogs would chew you out

Tried to be so nice on those lonely nights

(On (7)_____ lonely, lonely, lonely nights)

But I should have (8)_____ you out

If you'd (9)_____ me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I (10)_____ have had a (11)_____ time

I would have had a good time

If you'd told me from the start that you're playing

Around it (12)_____ (13)_____ been fine

It would have (14)_____ you baby

Then I would (15)_____ played too and I guess

I would have had a good time

Feel good time, feel good time
