I settled down
A (1)_____ up frown disguised as a smile, well
You would've never known
I had it all, but not what I wanted
'Cause hope for me
Was a place uncharted and overgrown
You'd make your way in
I'd resist you just like this you can't tell me to feel
The truth never set me free so I did it myself
You can't be too careful anymore
When all that is waiting for you
Won't (2)_____ any closer
You've got to reach out a little more
More, more, more, more
Open your (3)_____ like I opened mine
It's only the real world
A life you will never know
Shifting your weight to throw off the pain
Well, you can ignore it, but (4)_____ for so long
You (5)_____ like I did

You resist me (6)_____ like this you can't tell me to heal
And it hurts remembering how it felt to shut down
Can't be too careful anymore
When all that is waiting for you
Won't (7)_____ any closer
You've got to reach out a little more
More, more, more, more
The truth never set me free
The (8)_____ never set me free
The truth never set me free so I'll do it myself
You can't be too (9)_____ anymore
When all that is waiting for you
Won't come any closer
You've got to reach out
Can't be too careful anymore
When all that is waiting for you
Won't come any closer
You've got to (10)_____ out more
More, more, more, more!
