Fill in the gaps

I settled down

A (1)_____ up frown disguised as a smile, well

You would've never known

I had it all, but not what I wanted

'Cause hope for me

Was a place uncharted and overgrown

You'd make your way in

I'd (2)_____ you just (3)_____ this you can't

(4)_____ me to feel

The (5)_____ never set me free so I did it myself

You can't be too careful anymore

When all that is waiting for you

Won't (6)_____ any closer

You've got to reach out a little more

More, more, more, more

Open your eyes like I opened mine

It's only the real world

A life you will never know

Shifting your weight to throw off the pain

Well, you can (7)_____ it, but only for so long

You look like I did

You resist me just like this you can't tell me to heal

And it hurts remembering how it felt to shut down

Can't be too careful anymore

When all that is waiting for you

Won't come any closer

You've got to reach out a little more

More, more, more, more

The truth never set me free

The truth (8)_____ set me free

The truth never set me (9)_____ so I'll do it myself

You can't be too careful anymore

When all that is waiting for you

Won't come any closer

You've got to reach out

Can't be too careful anymore

When all that is waiting for you

Won't come any closer

You've got to reach out more

More, more, more, more!
