

Perfect by nature
Icons of self indulgence
Just what we all need
More lies about a world that
Never was and (1) will be
Have you no shame don't you see me
You know you've got everybody fooled
Look (2) she comes now
Bow down and stare in wonder
Oh how we love you
No flaws when you're pretending
But now I know she
Never was and never (3) be
You don't (4) how you've (5) me
You don't (4) how you've (5) me Some how you've got (6) fooled
Some how you've got (6) fooled
Some how you've got (6) fooled (without the (7) where will you hide)
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie I know the truth now
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie I know the truth now I know who you are
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie I know the truth now I know who you are And I don't (8) you anymore
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie I know the truth now I know who you are And I don't (8) you anymore It never was and never will be
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie I know the truth now I know who you are And I don't (8) you anymore It never was and never will be You don't know how you've betrayed me
Some how you've got (6) fooled (without the (7) where will you hide) Can't find yourself Lost in your lie I know the truth now I know who you are And I don't (8) you anymore It never was and never will be You don't know how you've betrayed me And somehow you've got everybody fooled
