

## Fill in the gaps

### Our December by Thriving Ivory

I (1)\_\_\_\_\_ see snow cover hills  
You were walking, I was standing still  
I could feel the cold on my face  
And we were talking like always  
I could touch snow covered leaves  
You were walking closer to me  
I would play you a song out loud  
Yeah, we could sing it 'till the year runs out  
I remember streets covered white  
And I remember a long tonight  
Said our December will be littered with light  
And I see you walking to me  
We were holding future in hand  
A place to fly and a place to land  
Now our December will be sure to last  
I said there'll be no rush for the (2)\_\_\_\_\_ to pass
