## Talk You Down by The Script

## Fill in the gaps

i can feel the colour running	
As it's (1) from my face	
Try to speak but nothing's coming	
Nothing I could say to make you stay	
Grab your suitcase call a taxi	
It's 3am now where you gonna go?	
Gonna stay with friends in London	
And that's all I get to know	
Just a ciggarette gone	
No you couldn't be that far	
I'm driving my car to where I hope you are	
Maybe I can talk you down	
Maybe I can (2) you down	
we're standing on a tiny ledge	
before (3) (4) (5)	the edge

before (3) (4) (5)	the edge
