## Nothing To Fear by Chris Rea

## Fill in the gaps

I feel (1) heat in dusty whispers
The wind is (2) (3) your moon
It's getting hard to keep our distance
I know your time is coming soon
Don't (4) your dream on my horizon
Don't take your rose too far from home
Please don't forget we're not each other
Each soul has black thorns of his own
I see you dancing
Your (5) is clear
You've got to show me, got to show me
There's nothing to fear
Nothing to fear
Nothing to fear  I (6) my (7) ones you (8) yours
I (6) my (7) ones you (8) yours
I (6) my (7) ones you (8) yours  So let us gaze upon the feast
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together  In God's own name please come in peace
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together  In God's own name please come in peace  See how our children (9) together
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together  In God's own name please come in peace  See how our children (9) together  While you and me we stand alone
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together  In God's own name please come in peace  See how our children (9) together  While you and me we stand alone  I know we'll never be each other
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together  In God's own name please come in peace  See how our children (9) together  While you and me we stand alone  I know we'll never be each other  If I leave you leave me alone
I (6) my (7) ones you (8) yours  So let us gaze upon the feast  In God's own name let's eat together  In God's own name please come in peace  See how our children (9) together  While you and me we stand alone  I know we'll never be each other  If I leave you leave me alone  I see you dancing
