

Stay by Rihanna

Fill in the gaps

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air
Said show me something
He said if you dare come a little closer
Round and around and around and around we go
Oh now tell me, now tell me now, tell me now, you know
Not really sure how to (1)_____ about it
Something in the way you (2)_____
Makes me feel like I can't live without you
And it takes me all the way
I want you to stay
It's not much of a life you're living
It's not just something you take it's given
Round and around and around and (3)_____ we go

Oh now tell me now, (4)_____ me now, tell me now, you
know
Not really sure how to feel about it
Something in the way you (5)_____

Makes me feel like I can't live (6)_____ you
And it takes me all the way
Now I want you to stay
The reason I hold on
Because I need this hole gone
(7)_____ you're the (8)_____ one
But I'm the only one who needed saving
Because when you never see the light
It's hard to know which one of us is caving
Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
And it takes me all the way
I want you to stay, (9)_____
I want you to stay
