| I'm not sure how I got there                        |                 |                |                   |
| All roads, they lead me here                        |                 |                |                   |
| I imagine you at home, in your room, all alone      |                 |                |                   |
