

## Fill in the gaps

### I wish you were here by Avril Lavigne

I can be tough  
I can be strong  
But with you, it's not like that at all  
There's a girl  
that gives a shit  
behind this wall  
You've just walked through it  
And I remember,  
all those crazy things you said  
You left them riding through my head  
You're always there, you're everywhere  
But right now I wish you (1)\_\_\_\_\_ here  
All those crazy things we did  
Didn't think about it,  
just we went with it  
You're always there, you're everywhere  
But right now I wish you were here  
Damn, Damn, Damn,  
(2)\_\_\_\_\_ I'd do to (3)\_\_\_\_\_ you here, here, here  
I wish you were here.  
Damn, Damn, Damn  
What I'd do to have you near, near, near  
I wish you were here.  
I love the way you are  
It's who I am, don't (4)\_\_\_\_\_ to try hard  
We always say, say like it is  
And the truth is that I (5)\_\_\_\_\_ miss...  
All those crazy things you said  
You left them riding (6)\_\_\_\_\_ my head  
You're always there, you're everywhere  
But right now I wish you were here.  
All those crazy things we did

Didn't think about it,  
just we went with it  
You're always there, you're everywhere  
But right now I wish you were here  
Damn, Damn, Damn,  
What I'd do to (7)\_\_\_\_\_ you here, here, here  
I wish you were here.  
Damn, Damn, Damn  
What I'd do to have you near, near, near  
I wish you were here.  
No, I don't wanna let go  
I just wanna let you know  
That I never wanna let go  
No, I don't wanna let go  
I just wanna let you know  
That I never wanna let go  
let go...  
Damn, Damn, Damn,  
What I'd do to have you here, here, here  
I wish you were here -I wish you were...-  
Damn, Damn, Damn  
(8)\_\_\_\_\_ I'd do to have you near, near, near  
I wish you were here.  
Damn, Damn, Damn,  
What I'd do to have you here, here, here  
I wish you were here.  
Damn, Damn, Damn  
(9)\_\_\_\_\_ I'd do to have you near, near, near  
I wish you were here.

Answer

1. were
2. What
3. have
4. have
5. really
6. through
7. have
8. What
9. What
