Nightmares by Billie the vision & the dancers

Where are you Pablo,
I've looked everywhere for you.
Where are you Pablo,
why don't you answer the phone.
Where are you Pablo,
why don't you open the door?
Did you go to (1)_____ brother in Stockholm,

What's going on Pablo,
tell me what the fucks going on,
where are you Pablo?
And everything went (2)_____ down in a second
and I couldn't go back to sleep
and I cannot breathe
as long as I got this one hell of a bad disease.
And the nightmares came over me again.
And my intention was not to hurt you
but I guess that's what I did.
All the times I've tried to explain to you
what's going on inside my head.
And the nightmares (3)_____ over me again.
You know I need you I'd never let you go.
I love you Pablo.
You said you'd never leave me, (4)_____ are you
Pablo?
25 cigarettes in a chain and I (5)_____ usually
smoke at all.
25 blocks without a cane and I don't usually block at all.
And the nightmares came over me again.

And I got some bad motherfuckers to deal with
and they came for me tonight
and I'm losing myself to a terrible mess
that's impossible to fight.
And the nightmares came over me again.
You know I need you I'd (6)_____ let you go.
I love you Pablo.

(8)_____ so exhausted and I'm so tired of this
so don't expect (9)_____ me to cope.
And the nightmares came over me again.
And I (10)_____ shoot me if you really hate me
and then he shot me in the head.
And I could see it all happen right before my eyes
and I was lying down there dead.
