Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you (1) when I say
I have never felt (2) way?
Maybe I (3) said
Something that was wrong
Can I make it better
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
Te foli de di yetar ili tilo ali
I still want to (4) whenever you leave
I still want to (4) whenever you leave
I still want to (4) whenever you leave (5) teach me gently how to breathe
I still want to (4) whenever you leave (5) teach me gently how to breathe And I'll cross oceans (6) never before
I still want to (4) whenever you leave (5) teach me gently how to breathe And I'll cross oceans (6) never before So you can feel the way I feel it too
I still want to (4) whenever you leave (5) teach me gently how to breathe And I'll cross oceans (6) never before So you can feel the way I feel it too And I'll sing images back at you
I still want to (4) whenever you leave (5) teach me gently how to breathe And I'll cross oceans (6) never before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too
