Distance by Christina Perri

Fill in the gaps

The sun is filling up the room
And I can (1) you dreaming
Do you feel the way I do, right now?
I wish we would just (2) up
Because the best part is falling
Calling anything but love
And I will make sure to (3) my distance
Say I love you when you're not listening
And how long can we keep this up, up, up?
Please don't stand so (4) to me
I'm having trouble breathing
I'm afraid of what you'll see, right now
I'll give you everything I am
All my (5) heartbeats
(6) I know you'll understand
(6) I know you'll understand And I will make (7) to keep my distance
And I will make (7) to keep my distance
And I will make (7) to keep my distance Say I love you when you're not listening
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up?
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting For you to take me
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting For you to take me And you keep waiting
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting For you to take me And you keep waiting To (9) what we have
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting For you to take me And you keep waiting To (9) what we have So I'll make sure to keep my distance
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting For you to take me And you keep waiting To (9) what we have So I'll make sure to keep my distance Say I love you when you're not listening
And I will make (7) to keep my distance Say I love you when you're not listening And how long can we keep this up, up, up? And I (8) waiting For you to take me And you keep waiting To (9) what we have So I'll make sure to keep my distance Say I love you when you're not listening And how long can we keep (10) up, up, up?
