Come together by Echosmith

Here we are with our backs against the wall

We've got big (1)_____ dreams

But we don't move from the asphalt

We run (2)_____ from our own imagination

But at the same time we got (3)_____ amazing
fascination

We've got hopes on the horizon

We can't stop climbing the mountain

We're sick and (4)_____ of keeping silent

We are, we are, we are,

We are (5)_____ come together

We are gonna (6)_____ together, now

We are gonna run together

We're gonna turn it upside down

(7)_____ with the smoke in the mirror

I can't see your face

So let's run to the fire escape

Come together

We are gonna come together, now

Who are they?

With their so-called innovations

They hold on like they've found

Their own salvation

They shy away from the slightest alteration

But at the same time we got the same fascination

We've got hopes on the horizon

We can't stop from climbing the mountain

We're sick and tired of keeping silent

We are, we are, we are,

We are (8)_____ come together

We are gonna come together, now

We are gonna run together

We're gonna turn it upside down

Because with the smoke in the mirror

I can't see your face

So let's run to the fire escape

Come together

We are gonna come together, now

Just let go, it's a free fall

We're almost home, it's a free fall

We are gonna come together

We are gonna come together, now

We are gonna run together

We're gonna turn it (9)_____ down

We are gonna (10)_____ together

We are gonna come together, now

We are gonna run together

We're gonna turn it upside down

Because with the smoke in the mirror

I can't see your face

So let's run to the fire escape

Come together

We are gonna come together, now
