

Drunk by Ed Sheeran

Fill in the gaps

I wanna be drunk when I wake up
On the right side of the wrong bed
And every excuse I made up
Tell you the truth I hate
What didn't kill me
It (1)_____ made me stronger at all
(2)_____ will scar your make-up lip sticks to me
So now I'll maybe leave back there
I'm sat here wishing I was sober
I know I'll (3)_____ (4)_____ you (5)_____ I
used to
But our house gets (6)_____ when you cut the heating
Without you to hold I'll be freezing
Can't rely on my heart to (7)_____ it
Because you take part of it every evening
Take words out of my (8)_____ just from breathing
(9)_____ with phrases like when you're leaving
me
(10)_____ I, should I?
Maybe I'll get drunk again
I'll be drunk again
I'll be drunk again
To (11)_____ a (12)_____ love
I wanna (13)_____ your heart in both hands
I'll watch it (14)_____ at the bottom of a
(15)_____ can
And I've got no (16)_____ for the weekend
So shall we speak then
Keep it between friends
Though I know you'll (17)_____ love me like you used
to.
There maybe other people like us

You see the flicker of the (18)_____ when they light up
Flames just create us
Burns don't heal like before
You don't (19)_____ me anymore
On cold days Coldplay's out like the band's name
I know I can't heal (20)_____ (21)_____ a
hand shake
You know I can't change as I began saying
You cut me (22)_____ open (23)_____ landscape
Open bottles of beer but never champagne
We'll applaud you (24)_____ the (25)_____ that
my (26)_____ make
(27)_____ I, should I?
Maybe I'll get drunk again
I'll be drunk again
I'll be drunk again
To feel a little love.
All by myself
I'm here again
All by myself
You know I'll never change
All by myself
All by myself
I'm just drunk again
I'll be drunk again
I'll be drunk again
To feel a little love
