Spectrum by Florence + The machine

When we first came here

We (1)_____ (2)_____ and we were clear

With no colors on our skin

We were light and paper-thin

And (3)_____ we first came here

We were (4)_____ and we were clear

(5)_____ no colors on our skin

Till you let the spectrum in

Say my name

And every color illuminates

We are shining

And we'll never be afraid again

(bis x2)

And (6)_____ we come for you

We dressed up all in blue

With the (7)_____ in our arms

Kiss your eyes and kiss your palms

But when it's time to pray -better (8)_____ you all-

We dressed up all in gray

With metal on our tongues

And silver in our lungs

Say my name

And every color illuminates

We are shining

And we'll (9)_____ be afraid again

(bis x2)

And (10)_____ we come back

We'll be dressed in black

And you'll scream our names aloud

And we won't eat and we won't sleep

We'll drag bodies from their graves

So say my name

And every color illuminates

And we are shining

And we'll never be afraid again

Say my name

As every color illuminates

Say my name

And every color illuminates

We are shining

And we'll never be afraid again

(bis x2)

Say my name

We are shining

Say my name

Say my name

And we'll never be afraid again
