Spectrum by Florence + The machine

When we first came here

We were cold and we were clear

With no colors on our skin

We were (1)_____ and paper-thin

And when we (2)_____ came here

We were cold and we were clear

With no colors on our skin

Till you let the spectrum in

Say my name

And every color illuminates

We are shining

And we'll never be afraid again

(bis x2)

And (3)_____ we come for you

We dressed up all in blue

With the ocean in our arms

Kiss your eyes and kiss your palms

But when it's time to pray -better pray you all-

We dressed up all in gray

 (4)_____   (5)_____ on our tongues

And silver in our lungs

Say my name

And every color illuminates

We are shining

And we'll never be afraid again

(bis x2)

And when we come back

We'll be dressed in black

And you'll scream our names aloud

And we won't eat and we won't sleep

We'll drag (6)_____   (7)_____ their graves

So say my name

And every color illuminates

And we are shining

And we'll never be afraid again

Say my name

As every (8)_____ illuminates

Say my name

And every color illuminates

We are shining

And we'll never be afraid again

(bis x2)

Say my name

We are shining

Say my name

Say my name

And we'll never be afraid again
