

Fill in the gaps

Circle the drain by Katy Perry

This is the last time, you say
After the last line you break
(1) _____ not even a holiday
(2) _____ to celebrate
You give a (3) _____ reasons why
And say you're (4) _____ gonna try
If I had a (5) _____ for every time
(6) _____ own the bank
Thought I was the exception
I could re-write your addiction
You could have been the greatest
But you'd rather get wasted
You fall asleep during foreplay
'Cause the (7) _____ you take are more (8) _____
forte
I'm not sticking around to watch you go down
Wanna be your lover
Not your fu*king mother
Can't be your savior
I (9) _____ have the power
I'm not gonna stay
And watch you circle the drain
Watch you circle the drain
Watch you circle the drain
You say you (10) _____ to write your rhymes
(11) _____ half (12) _____ at night
You've become what you despise
A stereotype
You think you're so rock and roll
But (13) _____ really just a joke
Had the world in the palm of your hand
But you (14) _____ choked
Should have been my teammate
Could have changed your fate
You say that you love me

You won't remember in the morning
You fall asleep during foreplay
'Cause the (15) _____ you take are more your forte
I'm not sticking around to watch you go down
Wanna be your lover
Not your fu*king mother
Can't be your savior
I don't have the power
I'm not gonna stay
And watch you (16) _____ the drain
(17) _____ you circle the drain
(18) _____ you circle the drain
You (19) _____ asleep during foreplay
'Cause the pills you take are more your forte
I'm not (20) _____ around to watch you go
down
-I'm not sticking around-
Wanna be your lover
Not (21) _____ fucking mother
Can't be your savior
I (22) _____ (23) _____ the power
I'm not gonna stay
And (24) _____ you (25) _____ the drain
(26) _____ you circle the drain
Watch you circle the drain
Watch you circle the drain
Watch you circle the drain
You're going (27) _____
(bis)
You fall (28) _____ during foreplay
'Cause the pills you take are (29) _____ your forte
I'm not sticking around to watch you go down

Fill in the gaps

Answer
