

## Fill in the gaps

### The first time by Lemar

All the lights agree travelling super speed

Every road is clear

(1)\_\_\_\_\_ to nowhere

But I feel, I feel so alive for the first time

Put your hand to mine and let's (2)\_\_\_\_\_ across the sky

You'll see there are no way through (3)\_\_\_\_\_ lips

Because it feels, this feels like us for the (4)\_\_\_\_\_ time

For the first time, first time, let your light shine

Oh so brighter that still

Higher higher let your light shine

See it all the other stars

For the (5)\_\_\_\_\_ time, first time let your light shine

And no longer feel the night

Brighter, brighter let your light shine

For the (6)\_\_\_\_\_ time

No more rules to break

It's your life to waste

Everything we need

All that silver screen

And it feels, feels like your mind for the first time

For the first time, first time let your light shine

Oh so brighter that still

Higher higher let your light shine

See it all the other stars

For the first time, (7)\_\_\_\_\_ time let your light shine

And no longer feel the night

Brighter, (8)\_\_\_\_\_ let your light shine

Tonight, tonight we watch the world come to life, to life

Alive, alive watch the world come to life

It will be alright

For the first time, first time let your light shine

Oh so brighter that still

Higher higher let your light shine

See it all the other stars

For the first time, first time let your (9)\_\_\_\_\_ shine

And no longer feel the night

Brighter, brighter let (10)\_\_\_\_\_ light shine

For the first time, for the first time
