

Fill in the gaps

Payphone by Maroon 5

I'm at a (1)_____ trying to call home
All of my change I spent on you
Where (2)_____ the times gone
(3)_____ it's all wrong
Where are the plans we (4)_____ for two?
Yeah, I, I know it's hard to remember
The people we used to be
It's even harder to picture
That you're not (5)_____ next to me
You say it's too late to make it
But is it too late to try?
And in our (6)_____ (7)_____ you wasted
All of our bridges burned down
I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time when we called it love
But (8)_____ the sun sets in paradise
I'm at a payphone trying to call home
All of my (9)_____ I spent on you
Where have the times gone
(10)_____ it's all wrong
Where are the plans we made for two?
If happy ever after did exist
I would still be holding you like this
All those fairy tales are full of s*it
One more f**king love song I'll be sick
You turned your (11)_____ on tomorrow
Because you (12)_____ yesterday
I (13)_____ you my love to borrow
But you just gave it away
You can't expect me to be fine
I don't expect you to care
I (14)_____ I've (15)_____ it before
But all of our bridges burned down
I've wasted my nights
You (16)_____ out the lights
Now I'm paralyzed
(17)_____ stuck in (18)_____ time when we
called it love
But even the sun sets in paradise
I'm at a payphone trying to call home
All of my (19)_____ I spent on you
Where have the times gone

Baby it's all wrong
Where are the plans we made for two?
If happy ever after did exist
I would (20)_____ be holding you (21)_____ this
And all those fairy tales are full of s*it
One more fucking (22)_____ song I'll be sick
Now I'm at a payphone.
Man fuck that s*it
I'll be out spending all this money
While you sitting around
Wondering why it wasn't you who came up from nothing
Made it from the bottom
Now when you see me I'm stunning
And all of my cars start with a push of a button
Telling me the chances I blew up
Or whatever you call it
Switch the number to my phone
So you never could call it
Don't need my (23)_____ on my show
You can tell it I'm ballin
Swish, what a shame could have got picked
Had a really (24)_____ (25)_____
But you missed your last shot
So you talk about who you see at the top
Or (26)_____ you could have saw
But sad to say it's over for
Phantom pulled up valet (27)_____ doors
Wiz like go away, got what you was looking for
Now it's me who they want
So you can go
And take that little piece of s*it with you
I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby it's all wrong
Where are the plans we made for two?
If happy ever after did exist
I (28)_____ still be holding you like this
All those fairy (29)_____ are full of s*it
One fucking stupid love song I'll be sick
Now I'm at a payphone.
