

Fill in the gaps

Little in the middle by Milow

You (1)_____ wanted to be
Part of a circus company
For the fun and death defying
But in time you forgot
life is (2)_____ in the big top
And your dreams were slowly dying
What you wanted was not a crime
You could've done it
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
Jugglers walk on the wire
Lions leap through hoops of fire
As the (3)_____ go flying
But what's the show all about
(4)_____ did your north get turned to south
And the truth turn to lying
(5)_____ you (6)_____
was not a crime
You could've done it
but you needed time
Now you're (7)_____ just a little

A (8)_____ in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning...
But it's a hole you're digging
A hole you're digging
you're doing it despite
the so much more you're missing
More you're missing
to your left and to your right
Now you're always just a little
A (9)_____ in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps your head from spinning round
It keeps your head from spinning round
And round, and round
It keeps your head from (10)_____ round...
