Something I need by One Republic

I had a dream the other night
(1)_____ how we only get one life
Woke me up right after two
I stayed awake and stared at you
So I wouldn't lose my mind
And I had the week that came from hell
And yes, I (2)_____ that you could tell
But you're (3)_____ the net (4)_____ the ledge
When I go flying off the edge
You go flying off as well
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
Last night I think I drank too much
Call it our temporary crunch
With broken words I've (5)_____ to say it
Honey don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me

And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
I know (6)_____ we're not the same
But I'm so damn glad
That we made it to this time, this time
You got something I need
Yeah, in this world full of people
There's one killing me
And if we only die once
I (7)_____ to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one (8)_____ me
