

Fill in the gaps

Woke up in London yesterday
Found myself in the (1) near Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers (2) I don't know
(3) to places like Abbey Road
Day turns to night,
night turns to whatever we want
We're young enough to say:
Oh this has (4) be the good life
(5) has (6) be the good life
This could (7) be a good life, good life
Say oh, got this feeling (8) you can't fight
Like this city is on fire tonight
This could really be a (9) life a good, good life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
(10) to China to Colorado
Sometimes there's airplanes I can' t (11) out
Sometimes there's bullshit that don't (12) now
We are good of stories but please tell me
What there is to complain about
When you're (13) like a fool
Let it take you over
(14) everything is out
You gotta (15) it in
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life

Say oh, got this feeling that you can't fight
Like this (16) is on fire tonight
This could really be a good life, a good, good life
A (17) (18) life
Hopelessly
I feel like there might be something that I'll miss
Hopelessly
I (19) like the window closes so quick
Hopelessly
I'm taking a (20) picture of you now
Because hopelessly
The hope is we have so much to feel good about
Oh (21) has gotta be the (22) life
This has gotta be the good life
This could really be a (23) life, good life
Say oh, got this feeling that you can't fight
Like this city is on (24) tonight
This could really be a good life, a good, good life
a good, good life
To my (25) in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Col-or-ado
Sometimes there's airplanes I can' t jump out
(26) there's bullshit that don't work
now
We are god of stories but (27) tell me
