

Woke up in London yesterday Found myself in the city near Piccadilly Don't really know how I got here I got some pictures on my phone New names and numbers that I don't know Address to places like Abbey Road Day turns to night, night turns to whatever we want We're young enough to say: Oh this has gotta be the good life This has gotta be the good life This could really be a good life, good life Say oh, got this feeling that you can't fight Like this city is on fire tonight This could really be a good life a good, good life To my friends in New York, I say hello My (1)_____ in L.A. they don't know Where I've been for the past few years or so Paris to China to Colorado Sometimes there's airplanes I can't jump out Sometimes there's bullshit that don't work now We are good of stories but please tell me What there is to complain about (2)_____ you're happy like a fool Let it (3)_____ you over When everything is out You gotta take it in Oh this has gotta be the good life

This has gotta be the good life

This could really be a good life, good life

Fill in the gaps

Say oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a good life, a good, good life
A good good life
Hopelessly
I feel like there might be something that I'll miss
Hopelessly
I feel like the window closes so quick
Hopelessly
I'm taking a (4) picture of you now
Because hopelessly
The hope is we have so much to feel good about
Oh this has gotta be the good life
This has (5) be the good life
This (6) really be a good life, good life
Say oh, got this feeling (7) you can't fight
Like this city is on fire tonight
This could (8) be a good life, a good, good
life
a good, good life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Col-or-ado
Sometimes there's airplanes I can' t (9) out
Sometimes there's bullshit that don't work now
We are god of (10) but please tell me
