It must have been love (BSO Pretty Woman) by Roxette

It must have been love
But it's over now
Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely
there's air of silence in the bedroom and all around
Touch me now, I close my eyes and dream away
It must have been love but it's over now
It must have been good but I lost it somehow
It must have been love but it's over now
From the moment we touched
(1)_____ the time had run out
Make believing we're together
That I'm sheltered by your heart
But in and outside
I've turned to water like a teardrop in your palm
And it's a hard winter's day I dream away
It must have been love but it's over now

It was all that I wanted, now I'm living without
It must have been love but it's (2)_____ now
It's where the water flows
It's where the wind blows
It must have been love but it's over now
It must have been good but I lost it somehow
It must have been love but it's over now
From the moment we touched
Till the (3)_____ had run out
It (4)_____ (5)_____ been love but it's over now
