We used to (1) things separate
We hadn't met or (2)
That could be possible
I'm glad you had your (3)
So good so listen to your past
All of those things brought you with me
And now we're two
You're always such a fool
And in your eyes so (4)
I see the life I never had before
You always (5) so (6)
You always (5) so (6)  And then in your voice, so (7)
And then in your voice, so (7)

And then in your voice, so (7)  I hear the dream I never had before But if I try to think of something better than this
And then in your voice, so (7)  I hear the dream I never had before But if I try to think of something better than this Heaven comes down
And then in your voice, so (7)  I hear the dream I never had before But if I try to think of something better than this Heaven comes down And reminds the luck we live
And then in your voice, so (7)  I hear the dream I never had before But if I try to think of something better than this Heaven comes down And reminds the luck we live You're always such a fool
And then in your voice, so (7)  I hear the dream I never had before But if I try to think of something better than this Heaven comes down And reminds the luck we live You're always such a fool And in your eyes so (8)
