Everything has changed by Taylor Swift

All I knew this morning when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 hours ago is
Green eyes and freckles and (1)_____ smile
In the back of my mind making me feel like
I just want to (2)_____ you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I (3)_____ (4)_____ to know you better, know you

Because all I know is we said hello
And (5)_____ eyes look (6)_____
(7)_____ home
All I (8)_____ is a simple name and everything has

All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
And all my (9)_____

But I'll take them down, take (10)_____ down
And open up the door for you
And all I feel in my stomach is butterflies
The beautiful (11)_____ making up for lost time
Taking flight, making me feel like
I just (12)_____ to know you better, know you better
Know you better now
I (13)_____ want to know you better, (14)_____ you

Know you better now
I just want to know you better, know you better

Know you better now
I (15)_____ want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door

All I know since yesterday is everything has changed
(16)_____ back and tell me why I'm feeling like
