Somebody I used to know by Walk off the Earth

Now and then I think of (1)_____ we were together

Like when you said

you felt so (2)_____ you could die

I told myself that you were right for me

But felt so lonely in your company

But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like resignation to the end

Always the end

So when we found that we could not make sense

Well you said that we would (3)_____ be friends

But I'll admit that I was glad that it was over

But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me (4)_____ a stranger

And that feels so rough

No you didn't have to stoop so low

Have your friends collect your records

And (5)_____ change your number

I guess (6)_____ I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over

But had me (7)_____

it was always something that I'd done

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up on somebody

that you used to know

But you didn't have to cut me off

(8)_____ out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

No you didn't have to stoop so low

Have your friends collect your records

And then (9)_____ your number

I guess that I don't need that though

Now you're just somebody that I used to know

Somebody

I used to know

Now you're just somebody that I used to know

Somebody

I used to know

Now you're just somebody that I used to know

I (10)_____ to know

That I used to know

I used to know

Somebody
