Bottoms up tonight I (1) to you and I					
Because (2) the morning comes the (3)					
of my life					
And (4) this (5) glass I will break the					
past					
(6) with the morning I can open my eyes					
I want (7) to be my awakening					
I (8) this one to you an anthem full of truth					
I tell you now an epic tale					
Of what you've put me through					
And even (9) you don't deserve one of your					
own					
A melody, a song about the life (10) you let go					
I can't (11) that					
I (12) care enough to write					
(13) up (14) I drink to					
you and I					
Because (15) the morning comes the rest of my					
life					
And with this empty glass I will (16) the past					
Because with the morning I can open my eyes					
I want this to be my awakening					
Yes I miss you still					
And probably always will					
I'm living with a busted (17) (18) I

I find the strength					
I know it's somewhere in my (19)
