

## Fill in the gaps

### It's Hard to Say Goodbye by Celine Dion & Paul Anka

There's something in (1)\_\_\_\_\_ eyes that's far too revealing

Why must it be like this a (2)\_\_\_\_\_ without feeling

Something wrong with you I know

I see it in your eyes

Believe me when I say

It's (3)\_\_\_\_\_ be okay

I (4)\_\_\_\_\_ you (5)\_\_\_\_\_ the start I won't be demanding

I won't be demanding

If you have a (6)\_\_\_\_\_ of heart

I'll be understanding

I'll be understanding

When love becomes a broken heart

And dreams begin to die

Believe me when I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

We've lost (7)\_\_\_\_\_ loving touch

We used to feel so much

I try to hide the truth that's in my eyes

The love without feeling

But when I feel we're not in love

I know I'm losing you

Believe me when I say

We'll work it out some way

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's (8)\_\_\_\_\_ I want

I want what's best for you

And if there's something else that you're looking for

I'll be the (9)\_\_\_\_\_ to help you try

Believe me when I say

It's hard to say goodbye

Don't say goodbye

If it's what you want

It's what I want

I want what's best for you

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something (10)\_\_\_\_\_ that you're looking for

I'll be the first to help you try

Believe me when I say

It's hard to say goodbye

I'll never try to hold you back

I wouldn't try controlling you

If it's what you want

It's what I want

I want what's best for you

And if there's something else that you're looking for

(I'll be)

...

Answer

1. your
2. love
3. gonna
4. told
5. from
6. change
7. that
8. what
9. first
10. else
