

## Fill in the gaps

### Feelin' Myself f. Miley Cyrus, French Montana & Wiz Khalifa by Will.i.am

I be everywhere, everybody know me

Super, super fresh, what a dope styling

Hunny on my wrist, couple karats on my neck

Givenchy, keep the chickens in check

All these car keys drive them chickens to my crib

Jewel heel, got somebody slipping in my bed

She give me IQ, that mean she get a head

I just give the beats, I don't give a bread

'Cause we be in the club

Bottles on deck

And god dammit, god dammit

I'm feeling myself

'Cause I'mma get it all

And I'mma throw it up

Like god dammit, god dammit

I'm feeling myself

Look up in the mirror

The mirror look at me

The mirror be like baby you the shit

God dammit you the shit

You the shit, you the shit

God dammit you the shit

God dammit you the shit

You the shit, you the shit

Been rocking coats since my first demo

And now I'm banging hoes in the continental

And I done (7)\_\_\_\_\_ me slidin' out my dope ride

I open up the doors, suicide

I came from the bottom, the sewer side

I made it to the top cause I do it fly

Feelin' fuckin' lucky like the fuckin' Irish

I see the whole game from my third Iris

I tour the whole world like a dirty pirate

To give the (8)\_\_\_\_\_ club some Miley Cyrus

Now everybody trippin' like they poppin' molly

Up in the club, is where you can find me

I do it real big never do it tiny

If you about that bullshit please don't remind me

I step in this motherfucker just to make it work

I get on the floor just to make that (9)\_\_\_\_\_ twerk

Shake, shake that ass like a, like an expert

Shake, shake that ass like a, like an expert

I'll be everywhere, everybody know me

Super, super fresh, what a dope styling

Hunny on my wrist, couple karats on my neck
