It's All Coming Back To Me Now by Celine Dion

There were nights when the wind was so cold

That my body froze in bed

If I just listened to it

Right outside the window

There (1)_____ (2)_____ when the sun was so cruel

That all the tears turned to dust

And I (3)_____ knew my eyes were

Drying up forever

I finished crying in the (4)_____ that you left

And I can't (5)_____ where or (6)_____ or how

And I banished every memory you and I had ever made

But when you touch me like this

And you hold me (7)_____ that

I just have to admit

That it's all coming back to me

When I touch you (8)_____ this

And I (9)_____ you like that

It's so hard to believe but

It's all coming back to me

(it's all coming back, it's all coming back to me now)

There were moments of gold

And there were flashes of light

There were things I'd never do again

But then they'd always (10)_____ right

There were nights of endless pleasure

It was more than any laws allow

Baby baby

If I (11)_____ you like (12)_____

And if you (13)_____ like that

Fill in the gaps

It was lost long ago

But it's all coming back to me

If you want me like this

And if you need me like that

It was dead long ago

But it's all coming back to me

It's so (14)_____ to resist

And it's all coming back to me

I can barely recall

But it's all coming back to me now

But it's all coming back

There were those (15)_____ threats and hollow lies

And whenever you tried to (16)_____ me

I just hurt you (17)_____ worse

And so much deeper

There were hours that just went on for days

When (18)_____ at last we'd count up all the chances

That were lost to us forever

But you were history with the (19)_____ of the door

And I made myself so strong again somehow

And I never wasted any of my time on you since then

But if I touch you like this

And if you kiss me like that

It was so long ago

But it's all coming back to me

If you touch me like this

And if I kiss you like that

It was gone with the wind

But it's all coming back to me

(it's all coming back, it's all coming back to me now)

Fill in the gaps

There were moments of gold

And there (20)_____ flashes of light

There were things we'd never do again

But then they'd always seemed right

There were nights of endless pleasure

It was more than all your laws allow

Baby, baby, baby

When you touch me like this

And when you hold me like that

It was gone with the wind

But it's all coming back to me

When you see me like this

And (21)_____ I see you (22)_____ that

Then we see what we want to see

All coming back to me

The flesh and the fantasies

All coming back to me

I can barely recall

But it's all coming (23)_____ to me now

If you forgive me all this

If I forgive you all that

We forgive and forget

And it's all coming back to me

When you see me (24)_____ this

And when I see you (25)_____ that

We see just what we want to see

All coming back to me

The flesh and the fantasies

All coming back to me

I can barely recall but it's all coming back to me now

Fill in the gaps

(it's all coming back to me now)

And (26)_____ you kiss me like this

(it's all coming back to me now)

And when I touch you like that

(it's all coming (27)_____ to me now)

And if you do it like this

(it's all coming back to me now)

And if we...
